Branch P & A.

Subject. Ex-gratia pension to the family of the constable Munia of the Bangalore City Police who died of plague caught while in the execution of his duty.

Letter No. 4690 / P&A 5940-602 d: 20th Feby 1904 from the Comptroller to the Govt of Mysore.

Munia is reported to have left behind him one minor son under six years of age and a widow aged 20 years and that he has rendered a service of 9 years odd. It appears from the Kannada statement ~~xxx~~ enclosed that the widow is both deaf and blind. According to the instructions conveyed in Govt Order No. P&A 1929-38 d: 14th March 1904, a pension of Rs 2¾ per mensem is payable to the son until he is eighteen years old, subject to a certificate from the Dt Supdt or Asst Supdt of Police that he is in

in a destitute condition. In this case the certificate is not produced as the pension application was prepared and submitted prior to the issue of the Govt Order above referred to. and it is stated in the pension application against col: 6 (Present occupation and pecuniary circumstances) ~~as~~ "Nil". In these circumstances, dispensing with the certificate, the pension is payable to the son. But considering the disability of the widow it is a matter for consideration whether it may not be made payable to the widow for life or until remarriage

Subd Orders with a draft. Sanctioning the pension to the son.
